

g4g 2-go "on wheels" program

g4g 2-go allows Pro Shops to try our new product line at no monetary risk, with the exception of the cost of shipping one way.

Here's how it works.

We ship approximately 24 pieces that you showcase in your store for 30 days.

We invoice you, at wholesale prices, for the shirts - net 60 days.

After 30 days and within 5 days, return any unsold shirts to us and adjust the invoice. You pay only for the shirts you sell!

We then send another 24 pieces of different styles and/or colors for your shop, repeating the process.

Just remember 24-30-60 24(pieces) - 30 (days) - 60 (days net payment)

What's in it for you?

- A chance to test our unique shirts,
- Additional sales by adding on a previously missing segment of the ladies market,
- Great Terms with no payment up front,
- Better presentation with full size ranges,
- Better turns since you receive and can sell new fresh inventory quicker,
- More profit since you are not left with clearance to sell.

Plus we provide marketing materials to assist you in bringing in new customers.
